I'M KATHERINE LO

GRAPHIC DESIGNER

ANIMATOR

MOTION GRAPHICS ARTIST

Currently I am a student at SUNY Purchase College. I recently returned from studying abroad at AUCB in England. I'm aiming to absorb as much as I can about design. I'm ambitious and hardworking. I believe that these few years are crucial to my growth as an artist and a designer. Although I am formally trained in print design, I've immersed myself into the world of motion graphics and animation. My goal is to work for VFX studios all over the world.
